You acknowledge that such sharing of information may occur in all of the aforementioned circumstances and is permitted by and subject to this Privacy Policy.

4. COOKIES AND OTHER TRACKING TECHNOLOGIES

Do Not Track Signals

Your browser settings may also allow you to transmit a “Do Not Track” signal when you visit various websites. Like many websites, our website is not designed to respond to “Do Not Track” signals received from browsers. To learn more about “Do Not Track” signals, you can visit <http://www.allaboutdnt.com/>.

Cookies and Other Tracking Technologies

You may control the way in which your devices permit the use of Tracking Technologies. If you so choose, you may block or delete our cookies from your browser; however, blocking or deleting cookies may cause some of the Services, including any portal features and general functionality, to work incorrectly.

Most browsers accept cookies automatically. However, you may be able to configure your browser settings to use the Services without some cookie functionality. You can delete cookies manually or set your browser to automatically delete cookies on a pre-determined schedule. For example, in the Internet Explorer menu bar, select: Tools →Internet Options→Browsing History→Delete to view manual and automatic options.

5. YOUR FILES AND OTHER USER CONTENT

The Services also permits users to store, download, upload, or transmit files, documents, information and other content with other users, which users may elect to join and/or participate in. The purpose of these features is to allow users to share files, documents, information and other content with other users. Through your participation, you may submit files, documents, photos, videos, records, and other data files (“User Content”). We or others may store, display, reproduce, publish, or otherwise use User Content, and may or may not attribute it to you. Others may also have access to User Content and may have the ability to share it with third parties.

Please note that we do not control who will have access to the information that you choose to make available to others, and cannot ensure that parties who have access to such information will respect your privacy or keep it secure. We are not responsible for the privacy or security of any information that you make publicly available on the features permitting creation of User Content or what others do with information you share with them on such platforms. We are not responsible for the accuracy, use or misuse of any User Content that you disclose or receive from third parties through the forums or email lists. If you want to manage your User Content that you have uploaded via the Services, please refer to the Services.

6. CHILDREN’S PRIVACY

Children under the age of 13 are not permitted to use the Services, and we do not seek or knowingly collect any personal information about children under 13 years of age. If we become aware that we have unknowingly collected information about a child under 13 years of age, we will make commercially reasonable efforts to delete such information from our database.

If you are the parent or guardian of a child under 13 years of age who has provided us with their personal information, you may contact us using the below information to request that it be deleted.

7. DATA SECURITY

Please note that any information you send to us electronically, while using the Services or otherwise interacting with us, may not be secure when it is transmitted to us. We recommend that you do not use unsecure channels to communicate sensitive or confidential information to us. Please be aware though that, despite our best efforts (including any encryption and any other security measures), no security

measures are perfect or impenetrable, and we cannot guarantee “perfect security.” Any information you send us through any means is transmitted at your own risk. Additionally, if you are provided any encryption keys or other security measures with respect to User Content, it is your responsibility to manage such encryption keys and any other security measures in relation to such User Content.

8. CALIFORNIA PRIVACY RIGHTS

Users under 18

Any California residents under the age of eighteen (18) who have registered to use the Services, and who have posted User Content publicly on the Services, can request that such information be removed from the Services by contacting us at the e-mail or address set forth in the “Contact us” section below. Such request must state that they personally posted such content or information and detail where the content or information is posted. We will make reasonable good faith efforts to remove the post from prospective public view or anonymize it so the minor cannot be individually identified. This removal process cannot ensure complete or comprehensive removal. For instance, third-parties may have republished the post and archived copies of it may be stored by search engines and others that we do not control.

9. INTERNATIONAL USERS

The Services are designed for users in the United States only and are not intended for users located outside the United States.
